

Village Music Circles Certified™
Drum Circle Facilitator

Agreement Form

I am applying to the Village Music Circles Certification Program to be recognized as a Rhythm Event Facilitator. As part of my application, I am agreeing not to represent myself as a Certified Drum Circle Facilitator until I am fully certified or with express permission from Arthur Hull and Village Music Circles. I also will not use the Drum Circle logo to represent myself as certified before I have completed the program.

I have read and understand the requirements of the program and I am ready and eager to embark on this journey.

Please submit a duplicate of this form with your application for certification.
